

# Rebecca Lavelle, Don't Judge

Don't judge - don't believe what you see  
Don't judge - there's so much more to me  
Inside - it's hard to be clear  
Inside - yeah I feel the fear  
I'm finding my way, I'm finding my way  
I can do it alone  
I'm finding my way, I'm finding my way  
But there's so much, so much more to say  
I'm finding my way...  
I feel - but the feeling is raw  
I feel - and I'm lonely once more  
I trust - that I can survive  
I trust - it's hard to stay alive  
I'm finding my way, I'm finding my way  
I can do it alone  
I'm finding my way, I'm finding my way  
But there's so much, so much more to say  
I'm finding my way...  
I choose - the hard way to go  
I choose - it's all that I know  
It's dark, and I want to see the light  
It's dark, and I want to do what's right  
I'm finding my way, I'm finding my way  
I'm finding my way, I'm finding my way  
I'm finding my way, I'm finding my way  
Don't judge - don't believe what you see  
I'm finding my way, I'm finding my way  
Don't judge - there's so much more to me  
I'm finding my way, I'm finding my way  
I'm finding my way, I'm finding my way  
A long the long long road  
I'm finding my way, I'm finding my way  
Finding my dreams  
I'm finding my way, I'm finding my way  
Finding my way
