

Rebecca Lavelle, Heat

HEAT

It's hot tonight
And I love the heat
It makes me sweat
It makes me dream
It's hot tonight
So hot tonight
And oh...it feels so right

And in the middle of the night
I want you here
In the middle of the night
I know you're near
In the middle of the night
That long and lonely night

Still taste your touch
You know I do
It's what you do
I still want you
In the night
Your touch is a feather
And in the heat
You make me shiver

And in the middle of the night
I want you here
In the middle of the night
I know you're near
In the middle of the night
That long hot night

It's hot tonight
So hot tonight
And I love the heat
Oh...it feels so right

And in the middle of the night
I want you here
In the middle of the night
I know you're near
In the middle of the night
That long hot lonely night

It's hot tonight
So hot tonight

It's hot tonight So hot tonight
