

Rebecca Lavelle, I Reach Out

I've been right
and I've been wrong
I've been weak
and I've been strong
I've been bought
and I've been sold
I've been brave
and I've been wrong

But I never ever been like this

So let me talk
Please try to hear
If you reach out
I will run away

So let me talk
Please try to hear
If you reach out
I will run away

Don't run away

I've been alone
and I've been loved
I've been detached
and dragged back in
I've been in doubt
and I've been proved
I've been rejected and neglected
and fought right back

But I've never ever been like this
No I've never ever been like this

So let me talk
Please try to hear
If you reach out
I will run away

So let me talk
Please try to hear
If you reach out
I will run away

Don't run away
Please understand
Don't run away
Cause this is our time
Don't run away
Cause you can stay with me
