

Rebecca Lavelle, So sorry

Old friend I have to do this
It's for you and it's for me
I will make it right for you
I will make it right again
When i stopped it if I could have,
if I stopped it if I Could
So Sorry, So Sorry
I make it right again
ment what's broken if i can
I'm so sorry, So Sorry
Old friend I have to trust myself
leave the loser down
OOHHHH....
We all need the hand that reaches
We'll need that helping hand duple one lose you
I Just can't lose
So Sorry, So Sorry
I make it right again
ment what's broken if i can
I'm so sorry, So Sorry
So Sorry, So Sorry
I make it right again
ment what's broken if i can
I'm so sorry, So Sorry
Old friend I have to trust myself
leave the loser down
OOHHHH....
We all need the hand that reaches
We'll need that helping hand duple one lose you
I Just can't you
