

Rebecca Lynn Howard, Memorized

(Rebecca Lynn Howard/James LeBlanc)

All these nights alone
Without your hand to hold
You still feel so close
Almost like a ghost
And I see you
And I miss you
Every little sigh
The taste of the tears you cried
The way you held my face
Your strength,your fears,your grace
The things that you believed
I remember everything
Your face,your skin,your eyes
I've got you memorized
I just can't forget
The linger of your scent
Sweet and innocent
Just like a baby's breath
I still feel you
And I hear you
Every little sigh
The taste of the tears you cried
The way you held my face
Your strength,your fears,your grace
The things that you believed
I remember everything
Your face,your skin,your eyes
I've got you memorized
Every little sigh
The taste of the tears you cried
The way you held my face
Your strength,your fears,your grace
You will always be
The only one for me
I'll never let you go
Deep in my heart I know
You are the only one
My earth,my moon,my sun
Every little sigh
The sound of your goodbye
I got you memorized
