

# Rebecca Lynn Howard, Was It Hard To Be Together

(Rebecca Lynn Howard/Carl Jackson)

The night is filled with questions  
The darkness takes its toll  
Why did we take love for granted  
How could we lose control  
And I wonder as I lie here  
Not knowing where you are  
Was it hard to be together  
As it is to be apart  
Was goodbye the answer  
I'm not sure anymore  
I just might trade the way it is  
For the way it was before  
And I still can't help but wonder  
Is it as lonesome where you are  
Was it as hard to be together  
As it is was to be apart  
It hurts too much to just keep holding on  
But I know I've spent a night this long  
And I swear it seems like letting go may leave a deeper scar  
Was it hard to be together  
As it is to be apart
