

# Rebecca Martin, Play for Me

(R. Martin)

Now the door is open  
Sing your melody  
Play for me, love.

When all the words are spoken  
Coarse and empty  
Play for me  
Play for me, love.

Music is for anyone  
Who's open to hear  
There's nothing between us  
But notes in the air

You are a beauty  
I can see you  
In your song  
Play for me, Love.
