

Rebecca St. James, Give Myself Away

I can't stay here anymore
There's no time for me to hideaway
Waste another day
But You oh Lord I can't ignore
Or the chance to know that I can't change
Before it's too late

Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around
I give myself away to You
Here and now - I lay it down
I give myself away to You today

It's a mystery to me
How I'm tempted by the lies that shine
Make me blind
I try to run - I try to flee
From the sin that's had me hypnotized
I've realized

Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around
I give myself away to You
Here and now - I lay it down
I give myself away to You today

I can't stay here anymore
There's no time for me to hideaway

Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around
I give myself away to You
Here and now - I lay it down
I give myself away to You today

(Repeat)

I give myself away
I give myself away
I give myself away
