

# Rebecca St. James, Go And Sin No More

I've sinned come on my knees  
For I'm not worthy of Your love  
How could You die for me?  
Such grace can only come from God  
Oh Lord, You search and You know me  
You see me inside out  
God You alone can forgive me  
Erase my fear and my doubt  
Father You pick me up  
I feel like a child in Your arms  
I don't deserve this love but  
I hear Your voice Lord Jesus

(Chorus)  
Go and sin no more  
He said "I will not condemn you,  
I'll forgive and I'll forget it all.  
Go and sin no more.  
My child let me remind you  
It is I who'll lead and guide you as you go"

You are my purpose  
You are the reason that I live  
I want to be like You  
Help me to love and to forgive  
God let me not be distracted  
Lord help me focus on You  
Keep sin from ruling my life, Lord  
Make me holy and pure  
Father You pick me up  
I feel like a child in Your arms  
I don't deserve this love but  
I hear Your voice Lord Jesus

(Chorus)

Wipe, wipe away  
Take, take away  
Break, break away  
Fill my life, make it right  
Father help me, Father help me go

(Chorus)

He said, "I will not condemn you, no  
Go and sin no more.  
My child let me remind you  
It is I who'll lead and guide you as you go"

I've sinned come on my knees  
How could You die for me  
Search my heart  
Know my thoughts  
See me inside out and all throughout me  
You alone can forgive me  
You always pick me up  
Like a child  
In Your arms  
I could stay with you forever here

(Repeat twice)
