

# Rebecca St. James, One

Tell me can I get a witness here  
Listen up while the music's pumpin'  
Come on everybody gather 'round  
Tell me what He's done in your life  
If you wanna make a difference here  
If you're ready to believe in something  
Then let me hear you say "Oh";  
We know He'll be with us wherever we go  
And we're standing here as one I know

We come together  
To lift His praises tonight  
And when we do  
You know we're doing right  
Don't make no difference  
Where we're coming from  
We believe in the Son  
And that's what makes us one

Let me tell you it's a brand new day  
Every color every nation  
Old things are passed away  
It's just a freedom you know  
You can feel it in a whole new way  
If He's making you a new creation  
Then let me hear you say "Oh";  
What we share is a bond that nobody can break  
No they can't take that away I know We come together  
To lift His praises tonight  
And when we do  
You know we're doing right  
Don't make no difference  
Where we're coming from  
We believe in the Son  
And that's what makes us one

We are one in the Spirit  
We are one in the Lord  
We are one in the Spirit  
One in the Lord  
We are one in the Spirit  
We are one in the Lord  
We believe in the Father  
We believe in the Son  
And that's what makes us one

We come together  
To lift His praises tonight  
And when we do  
You know we're doing right  
Don't make no difference  
Where we're coming from  
We believe in the Son  
And that's what makes us one
