

# Rebecca St. James, Quiet You With My Love

Come to me all who are weary  
And I will give you rest  
Come to me all who are weary  
And I will give you rest  
Lay your head down  
On my shoulders  
Be still my child  
Rest a while

CHORUS:

I'll quiet you with My love  
Rejoice over You  
With My song  
I'll quiet you with My love  
Rejoice over You  
With My song

Come to me all who are weary  
And take My yoke upon you  
Come to me all who are weary  
My burden is easy and light  
Lay your head down  
On my shoulders  
Be still my child  
Rest a while

CHORUS
