

Rebecca St. James, Vision

I walked for you in the wind
I called for you when the earth is shaken
Speak to me in the whisper
You'll always see beyond my world

Chorus:

Open my eyes give me vision to see you
Lord become us and
Let me know you
For I long to see you as you are (Vision to see you)

Open my ears let me hear you
Open my heart - show me Father
For I long to see you as you are
Give me vision to see you

I walked for you in the fire
I looked to you and my will is broken
Speak to me in the silence
You'll always see the truth unveiled

Chorus

Greet with mansions (dove noises)
Filled with all your glory (dove noises)
All night you show me when you be with Son of Man
So when I see the storm is falling I will stand, arise

Chorus X 2

Open my eyes give me vision to see you
Lord become and
Let me know you
For I long to see you as you are (Vision to see you)

Open my ears let me know you...
