

Rebecca St. James, You

To be like You
is what I want, Lord
To be like You
is what I ask for
To be like You
is what I'm longing for
'Cause at the end of the day
this is what will remain
To love like You
is what I want, Lord
To love like You
is what I ask for
To love like You
is what I'm longing for
'Cause at the end of the day
this is what will remain
You
are what I want, Lord
You
are what I ask for
You
are what I'm longing for
'Cause at the end of the day
You alone will remain
You
are what I want, Lord
You
are what I ask for
You
are what I'm longing for
'Cause at the end of the day
You alone will remain
I love You
'Cause at the end of the day,
You alone will remain
