

# Rebelde, Wanna Play

See I know what's up papi  
I'm a loca in a sexy body  
I know that you wanna party  
The kinda party that we both know  
I can give you all my codes  
Press the button and I play the role  
Something far from all the shows  
Esta chica es muy especial (that girl is very special)

Pre-chorus

Oh oh!!! That's how you'd go  
Oh oh!!! And a lil bit more  
Oh oh!!! If you only knew  
You'd be going like oh oh oh

Chorus

Wanna play? Come on set the game on  
I don't need no warm ups, I'm turned on  
Wanna play, take two shots and let's go  
I'm waiting, so waiting  
Wanna play? Come on set the game on  
Can't resist the heat, it's getting too strong  
Wanna play? Take two shots and let's go  
I'm waiting, so waiting

See I know what's up mami  
I'm a loco (crazy) too if you try me  
Make me a part of your party  
The kinda party that we both know  
I promise to please you all night long  
You'd be shaking long after I'm gone  
Next day you'll spend it on the phone  
Telling all your friends about me

Pre-chorus

Chorus

I ain't stopping, no I ain't stopping  
Until I get what I want I'ma keep on shopping  
I ain't stopping no I ain't stopping  
I'm getting what I need, I'm getting what I need
