

Rebelution, Feeling Alright

Well it's about that time for us to look around and meet somebody new

Let's all welcome in familiar faces, perhaps somebody who,

Has got a conflict in their life

Tell them you're sorry, but there's ways to change the wrong to right

See we can sit in a distant haze and watch rain clouds pour thoughts of greatness and help our trou

Well it's a struggle everyday we're stressing, but what's a life without dedication?

I'm trying to pick up the souls intention to soak in music relaxation

We're feeling good, we're feeling alright

We're feeling good, we're feeling alright

In a moment I'll be on my way, to better days, while life is changing

And even though I've had my share of pain, I've been sympathizing and realizing

I've got a feeling that we can be a better friend

Simply complimenting every now and then

In the morning I wake up and miss the night before

Cuz I love the music more and more

See we can sit in a distant haze and watch rain clouds pour thoughts of greatness to help our trou

While it's a struggle everyday we're stressing, but what's a life without dedication?

I'm trying to pick up the souls intention to soak in music relaxation
