

Rebelution, Ordinary Girl

Girl I'm going crazy, I can't get you off my mind
Seems like the only thing that I think about is you all the time
I have no words to express the way I feel about you
I've found my heart's desire baby it's you
You give me everything that I want, you give me more than I need
What's a guy to give a girl who seems to have everything
Too much time is never enough time to be spent with you
Oh yes, oh yes, oh yes it's true

You're no ordinary girl, you always speak your mind
You're no ordinary girl, you're one of a kind
You're no ordinary girl, I can see it in your eyes
You're no ordinary girl, oh yes that's right
I've been around here for a while and yes I've seen some things
But nothing even comes close to the love that you bring
You know exactly who you are, you know just who you want to be
I can't believe this love is happening to me

So much fear to face to get me where I am
It's clear for me to see this was never my plan
Here we are now girl, just me and you
Loving every minute that I spend with you

You're no ordinary girl, you always speak your mind
You're no ordinary girl, you're one of a kind
You're no ordinary girl, I can see it in your eyes
You're no ordinary girl, oh yes that's right
