

Rebolt, Bad Boy (For You)

I told you once
I told you twice
You can call me up
I could be your spice

You say you can't
You say you're good
I don't have to come
You're not in the mood

But I've heard you've found
Some zero brain excuse
I've heard you've found
Somebody you could choose
x2

I could be a bad boy for you
I'll be a bad boy for you
I'll play a bad boy for you
If I'm bad enough
Could you be good for me?

You're the cutest girl
I'm the nicest man
You're so into dreams
I'm just what I am

I'll tell you once
I'll tell you twice
If you call me up
I won't be nice

'cause I've heard you've found
Some zero brain excuse
I've heard you've found
Somebody you could choose
x2

I could be a bad boy for you
I'll be a bad boy for you
I'll play a bad boy for you
If I'm bad enough

SOLO

I could be a bad boy for you
I'll be a bad boy for you
I'll play a bad boy for you
If I'm bad enough
