

Reborn, Freestyle (Drunk)

Aiiyo, You cant put me down
Im a stiff standing soldier
I drop bombs like I drop boulders
big ole football shoulders
im young but gettin' older
keep me up coffee
my brand foldiers
In my cup
You cant top me

I roll like I own a car
but i dont of course
I've stolen four so far
got caught now im goin' to court
Two girls in the back
natasha and amber
I just wanted to go for a ride
not to get some ass or try to slam her
All though there were two girls
one was probably taken
the other was my cousin
incest to me's forsaken

Im too drunk for this yo
