

Reckless Kelly, Basin Butte Blues

How would you feel if you fell in love
Would you call it real, or is it just lust
Well I'd say it's real and I'd say it's true
And I'd do anything just to prove it to you

Because I want you to be my girl
And I'll promise you the world if you'll be my girl

What do you need, I'll get it for you
Tell me your dreams, and I'll get them too
Tell me your fears, and I'll drive them away, baby
Dry up your eyes, I know just what to say

Because I want you to be my girl
And I'll promise you the world if you'll be my girl

I know what you're thinkin', I can read those eyes
But I bet you hear that from all of those guys
But I wouldn't hurt you and I'd never be cruel
I'll be your lover, your slave, your king, and your fool

Because I want you to be my girl
And I'll promise you the world if you'll be my girl
Won't you be my girl?
