Reckless Kelly, Motel Cowboy Show

Hey Ol' Lady let's go
To the Motel Cowboy Show
We'll drink and dance
There's no place else to go
We'll stay out all night long
We'll toast the break of dawn
Hey Ol' Lady let's go
To the Motel Cowboy Show

Well they rolled one for the road
Put on the same dirty ol' clothes
Down the trail they rode
To the Motel Cowboy Show
Well they parked at the end of the line
Underneath the cold beer sign
It's a long long way to ride
Without your whiskey and your wine
Something stronger would be fine
Something stronger would be fine

I said Hey Ol' Lady lets go
To the Motel Cowboy Show
We'll drink and dance
There's no place else to go
We'll hang out all night long
We'll toast the break of dawn
Hey Ol' Lady let's go
To the Motel Cowboy Show

Well they walked through the swingin' doors Through the sawdust on the floor Everybody was ready to go At the Motel Cowboy Show

Well they've been all over the land Not bad for a honky tonk band Well it's a long hard hill to climb When you're so far ahead of time And you've never seen a dime You're so far ahead of your time

Hey Ol' Lady lets go
To the Motel Cowboy Show
It's late but there ain't nowhere else to go
We'll hang out all night long
We'll toast the break of dawn
Hey Ol' Lady let's go
To the Motel Cowboy Show

Well the doses soon kicked in And the fun would soon begin The fun would soon begin

And the world did a great big spin Ooooh baby it's fun It ain't no sin

I know you well You don't remember We partied way back in November Of '72 or was it '73 I know you well You don't remember me All the faces changed And the room went round What a mystic place What a mystic sound

Well they rolled one for the road And they candied up their nose Down the trail they rode To the Motel Cowboy Show

Hey Ol' Lady let's go
To the Motel Cowboy Show
We'll drink and dance
There's no place else to go
The boys are in their prime
We'll see 'em one more time

Hey Ol' Lady let's go To the Motel Cowboy Show
