Right now a revelation  
Sweeping across the nations

Crystal clear  
Seven years of tribulation

The Devil's hungry for your soul  
There's a number 666

'cause if you do you'll burn in Hell Burning there forever  
Like a lion on the prowl  
The devil's hungry for your soul  
This is your warning  
The choice that you make will destine eternity  
Take heed this warning  
Jesus is King  
Satan has lost  
Can't you see

Sits on His throne  
Judging all the nations

Like a lion on the prowl  
The Devil's hungry for your soul  
This is your...  
(Rev 20:11-15)  
This is your...
