

Recover, Dialogue From A Film

You, you are the one behind this.
You, you try to deconstruct us.
We see through and unmask you.
Your false fronts have been removed.

Surrender now, this time you've met your match.
Get a good look at me, cause I'm the one who did this to you.

You, you are the one behind this.
You, you try to deconstruct us.

kill your friends.
