## Recover, Don't Ask Don't Tell

dont you get enough of me? are you paronoid? are you scared of disease? do you need something stronger? do you want somone not so dumb? i love you when youre not mine its hard to be honest these days when life becomes routine, ill find a new way i wont ask if you dont tell (even if the truth) i wont ask if you dont tell (even if, even if) let go, let go (youll feel better) let go, let go (youll feel stronger) i dont have to twist your arm your eyes tell me whats happend since ive been gone you dont need to say anything i wish could be innocent you hold my breaking heart its hard to stick around these days when life becomes routine i wont ask if you dont tell (even if the truth) i wont ask if you dont tell (even if, even if) let go, let go (youll feel better) let go, let go (youll feel stronger) i dont want to know come close, come close i wont ask if you dont tell (even if the truth) i wont ask if you dont tell (even if, even if) let go, let go (youll feel better) let go, let go (youll feel stronger) i wont ask let go, let go let go, let go
