Red Before Dawn, Relase The Panic

I don't mean to, to alarm you
Can't you see now, it overtakes you?
You're declining, disintegrating
You're gonna lose it all
The time you're wasting

Breathe in
Breathe out
Breathe in
Breathe out
Breathe in
Breathe out
Blackout!
Let your panic out!

Let it out, Let it out
Release the panic, oh! Release the panic
Get it out, get it out, get it out
Release the panic, oh! Release the panic

Cause you're trapped in the countdown
And your days are numbered
Don't you know that you're done for?
Right now, lights out
Let your panic out!

You can feel it, but you're ignoring
It creeps up on you, without a warning
You think you're thriving
But you're decaying
You're gonna lose it all.
There's no escaping.

Let it out, Let it out
Release the panic, oh! Release the panic
Get it out, get it out, get it out
Release the panic, oh! Release the panic

Cause your trapped in the countdown
and your days are numbered
Don't you know that you're done for?
Right know, lights on
Let your panic out!

Feel it slip away, slip away
You know you're done for, you're done.
You can't get away, get away.
You know you're done for, you're done for.

Let it out, Let it out
Release the panic, oh! Release the panic
Get ii out, get it out, get it out, get it out
Release the panic, oh! Release the panic
Let it out, Let it out
Release the panic, oh! Release the panic
Get it out, get it out, get it out
Release the panic, oh! Release the panic
