

Red Box, Bantu

Bantu, bantu
Some day, uhuru
Hero, hero
This day, you stay low
No defenses
Mercenary in
Bantu, bantu
Some day, uhuru
No defenses
Mercenary innocence

You're giving me hope, hope, hope
And a sense of achievement
And in the last pure days of a lifetime
A sense of adventure

You're giving me hope,
And a sense of achievement
And in the last pure days of a lifetime
A sense of adventure

And the hopes of the world are with you
And sense, making laws a white man's way and sense,
breaking laws a black man's way have sense,
fighting through to freedom day
Bantu, bantu
Crusade, crusade
Lie low
No parade
Bantu, bantu
Some day, uhuru

You're giving me hope, hope, hope,
And a sense of achievement
And in the last pure days of a lifetime
A sense of adventure

You're giving me hope, hope, hope,
And a sense of achievement
And in the last pure days of a lifetime
A sense of adventure

And the hopes of the world are with you
Bantu
And yes, we say yeah
Bantu, uhuru
Make way, make way
