Saskatchewan

Hey, hey, hey, hey, way, way, way, way, way-o  
Wrap me in your blanket, dance me around  
Wrap me in your blanket, dance me around  
Take me back to where my heart belongs  
Qu'Appelle Valley, Saskatchewan, o  
Qu'Appelle Valley, Saskatchewan  
Qu'Appelle Valley, Saskatchewan  
Qu'Appelle Valley, Saskatchewan

Hey, hey, hey, hey, way, way, way, way, way-o  
You can travel all alone  
You can travel all alone  
Or you can come along with me  
Walk the old way, way, way, way-o  
Walk the old way, Saskatchewan, o
