

# Red Bridge, Chains of love

I see the men are standing thousand years in chains of love  
I've heard some stranger voice: it's different now. No it's just the same  
I saw your eyes I saw your lips. I couldn't stand I fled  
And now I'm lying on a lonely night, I'm dreaming about this game  
The time is ticking I have to find you  
But I don't know what should I do  
I feel I'm standing on the highest mountain  
I'm not afraid cause I'm with you  
The dusk is coming down, I've watched your pictures dozens times  
I will remember, wild horses couldn't make me stay away  
If you had a chance again would you change a thing at all  
And you said: don't fall in love, it's too late I've already done  
I want you  
I feel you  
I need you  
And I love you  
The time is ticking I have to find you  
But I don't know what should I do  
I feel I'm standing on the highest mountain  
I'm not afraid cause I'm with you
