

Red Bridge, Not guilty

What I have done
What I got too
Many questions
I am looking for some answer
Come to me girl
Help to find way
Tell me what I...
Tell me what I need to hear
It brings me down
But I can't climb down
And I can't stand that
I am guilty
So I will Not wait for another day any longer /x2
For another day
Is it not greed Am I stigy
I don't know I lost my hope
and I lost my faith
What I did feel I still carry
For past quarter of our century
I look on it and I am seek
There is one more day
In my anonymous life
They will newer say the word:
GUILT! GUILT! GUILT!
So I will Not wait for another day any longer /x4
For another day
So I will Not wait for another day any longer /x4
I am leaving it
