

Red Dragons, Sorry for everything

1V.I would like you forgive me.

Each of my word,
where You hurt.

I know that all this is
my fault.

Today I realized, wchich
could lose a man who does not believe the words.

I beg You, forgive me
the last time.

Chorus: Sorry for You all.
Sorry about that, You hurt.
Sorry for all the
words.

Sorry for the tears
that flowed through
me.

2V.I say many words, that
do not understand.

Later, regrets that it
was said.

I know that just
love it.

I know that You only
want to be.

Trying to fight with
each other and their
own errors, wchich
have already done too
much.

Chorus: Sorry for You all.
Sorry about that, You
hurt.

Sorry for all the
words.

Sorry for the tears that flowed through
me.

3. Please send us
another chance and
trust.

I say sincerely that all
regrets.

When I look in the
mirror, the same can
not understand.

Do not understand
how I could hurt You

so.

Sometimes I do not
know what was
happening to me.

Please You only one:
Forgive me and do not
cry no more.
