Red Hot Chili Peppers, Bunker Hill

She She She

Lock the bus undo the chain Getting all to hot, gotta head on 5th and main I look like you I feel the same You don't even know my name

I got this tied up to my cell Well everybody's gone to the everybody shell

Are you coming through, do you want me to, take your body It would be so cool, to be cool with you, I said lordy lordy

I don't like blood into the chain A dirty sun will burn away Do you even want to stay

Are you coming through, do you want me to, take your body It would be so cool, to be cool with you, I said lordy lordy Where'd ya get that bruise, do you want me to, take your body I must still, taking your bod away

Are you coming through, do you want me to, take your body It would be so cool, to be cool with you. I said lordy lordy Where'd ya get that bruise, do you want me to, take your body I must still, taking your bod away
