## Red Hot Chili Peppers, Charlie

All aboard... stitch in time Get yours... got mine In a minute... I'll be there Sit tight... get square

You can do it at the hippodrome Slide back, trombone Anybody got a TV tome? That's right, unknown

When I pick up on that smell Pick it up and run like hell Little woman save me some Better get up on your run

So much more than Charlie's wakin' me To my core and Charlie's shakin' me Tell my story and Charlie's making me And Charlie's making me smile

Everybody... do the twist Get the the message... on Flea's fist Move around like a scientist Lay down... get kissed

Big picture and it never lies Big daddy will advise Eveready in disguise Sunset... sunrise

When I pick up on that smell Pick it up and run like hell Little woman save me some Better get up on your run

So much more than Charlie's wakin' me To my core and Charlie's shakin' me Tell my story and Charlie's making me And Charlie's making me smile

My heart, your skin, this love I'm in We don't arrive without a suprise You're right, I'm wrong, be free, belong Intimate sight has come in to light

When I pick up on that smell Pick it up and run like hell Little woman save me some Better get up on your run

All I ever wanted to Was pick it up and run with you Slip it into a summer spell Double up and run like hell, ooh

So much more than Charlie's wakin' me To my core and Charlie's shakin' me Tell my story and Charlie's making me And Charlie's making me smile, woah now

My heart, your skin, this love I'm in We don't arrive without a suprise You're right, I'm wrong, be free, belong Intimate sight has come in to light My heart, your skin, this love I'm in We don't arrive without a suprise You're right, I'm wrong, be free, belong Intimate sight has come in to light
