

Red Hot Chili Peppers, Don't Forget Me

I'm an ocean in your bedroom
Make you feel warm
Make you want to re-assume
Now, we know it all for sure

I'm a dance hall, dirty breakbeat
Make the snow fall up from underneath your feet
Not alone, I'll be there
Tell me when you want to go

I'm a meth lab, first rehab
Take it all off
And step inside the running cab
There's a love
That knows the way

I'm the rainbow in your jail cell
All the memories of everything you've ever smelled
Not alone, I'll be there
Tell me when you want to go

So (sideways falling)
(More will be revealed my friend)
(Sideways falling) don't forget me, I can't hide it
(More will be revealed my friend) come again, get reignited

I'm an inbred and a pothead
Two legs that you spread
Inside the tool shed
Now, we know it all for sure

I could show you to the free field
Overcome and more will always be revealed
Not alone, I'll be there
Tell me when you want to go

So (Sideways falling)
(More will be revealed my friend)
(Sideways falling) Don't forget me, I can't hide it
(More will be revealed my friend) come again, get me excited
So (Sideways falling)
(More will be revealed my friend)
(Sideways falling) Don't forget me, I can't hide it
(More will be revealed my friend) there's a match, now, let me light it

I'm the bloodstain
On your shirt sleeve
Coming down and more are coming to believe
Now, we know it all for sure

Make the hair stand up on your arm
Teach you how to dance inside the funny farm
Not alone, I'll be there
Tell me when you want to go
I'll be there
Tell me when you wanna go
Come again and
Tell me when you want to go
More will be revealed my friend
