

# Red Hot Chili Peppers, I Like Dirt

Some come up and some come young  
Live to love and give good tongue  
Sit down, get down in the sun  
Rocket to the woman is on the one

Well I like dirt  
Well I like dirt  
Well I like dirt

The earth is made of dirt and wood  
And I'd be water if I could  
Live in a dream  
In your stream  
Live in a dream

Some come up and some come young  
Live to love and give good tongue  
Sit down, get down in the sun  
Rocket to the woman is on the one

I like dirt  
I like dirt  
I like dirt  
I like dirt

Some come slow and overload  
Must roll over when you're told  
Let's unzip and let's unfold  
A letter to the petter, better get it to go

Well I like dirt  
Well I like dirt  
Well I like dirt

Space is made of everything  
And I'd be fire that I bring  
Live in a dream  
In your stream  
Live in a dream

Some come slow and overload  
Must roll over when you're told  
Let's unzip and let's unfold  
A letter to the petter better get it to go

I like dirt  
I like dirt  
I like dirt  
I like dirt

Some come up and some come young  
Live to love and give good tongue  
Sit down, get down in the sun  
Rocket to the woman is on the one

I like dirt  
I like dirt  
I like dirt  
I like dirt

Some come up and some come young  
Live to love and give good tongue  
Sit down, get down in the sun  
Rocket to the woman is on the one
