Red Hot Chili Peppers, I Like Dirt

Some come up and some come young Live to love and give good tongue Sit down, get down in the sun Rocket to the woman is on the one

Well I like dirt Well I like dirt Well I like dirt

The earth is made of dirt and wood And I'd be water if I could Live in a dream In your stream Live in a dream

Some come up and some come young Live to love and give good tongue Sit down, get down in the sun Rocket to the woman is on the one

I like dirt I like dirt I like dirt I like dirt

Some come slow and overload Must roll over when you're told Let's unzip and let's unfold A letter to the petter, better get it to go

Well I like dirt Well I like dirt Well I like dirt

Space is made of everything And I'd be fire that I bring Live in a dream In your stream Live in a dream

Some come slow and overload Must roll over when you're told Let's unzip and let's unfold A letter to the petter better get it to go

I like dirt I like dirt I like dirt I like dirt

Some come up and some come young Live to love and give good tongue Sit down, get down in the sun Rocket to the woman is on the one

I like dirt I like dirt I like dirt I like dirt

Some come up and some come young Live to love and give good tongue Sit down, get down in the sun Rocket to the woman is on the one
