Red Hot Chili Peppers, I Want You Back

When I had you to myself
I didn't want you around
Those pretty faces always seemed
To stand out in a crowd
But someone picked you from the bunch
One look was all it took
And now it's much too late for me
To take a second look

Oh baby, give me one more chance to Show you I love you Won't you please let me Back in your heart Oh darlin', I was blind to let you go Let you go baby Now since I've been true where it's at I want you back!
