

Red Hot Chili Peppers, Mommy Where's Daddy

Mummy, where's daddy?
Mummy, where's daddy?

Right here, girl...
Sweet thing, you look so sad
Cheer up, don't you know your dad is bad
Give daddy a kiss, girl
Oh, dad

There ain't no problem I can't face
Your daddy's got a bigger pair of tricks
Give daddy a kiss, girl
Oh, dad

Mummy, where's daddy?
Mummy, where's daddy?

Come on, sit on your daddy's lap 'cos
I'm the one who pats your back
Give daddy a kiss, girl
Oh, dad

Lemme see now where to begin
Lemme start by tuckin' you in
Give daddy a kiss, girl
Oh, dad

Mummy, where's daddy?
