

Red Hot Chili Peppers, Show Me Your Soul

In a world that can be so insane
I don't think its very strange
For me to be in love with you
I want to know more than your brain

Into my life you were injected
Not something that I expected
Now I smile from your affection
We have made a soul connection
Just for whom does your bell toll
Don't be cold show me your soul

Sentimental gentlemen are not afraid
To show you when I am you
You're my best friend
Show me your soul

In a world that can...

Yes I find you so appealing
When you show me how you're feeling
You my friend need not be kneeling
Open up and stop revealing
Trust in me, my heart is whole
I need to see
Show me your soul

Sentimental gentlemen...

In a world that can...

Don't expect too much from me
Perfection is no test for me
Because the best I'll ever be
I just like you, a human being
You won't offend, I need to know
Please my friend
Show me your soul.

Sentimental Gentlemen...
