

Red House Painters, Follow You, Follow Me

stay with me, my love

I hope you'll always be, right here by my side if ever i need you

Oh my love, in your arms i feel so safe and so secure

everyday is such a perfect day to spend alone with you

I will follow you, will you follow me

everyday and night that we know will be

I will stay with you, will you stay with me

just one single tear in each passing year

with the dark, I see so very clearly now

all my fears are drifting by me so slowly now

fading away

if I can say the night is long, but you are near

close I am though I'm better for the smile you give and while I live

I will follow you, will you follow me

every day and night that we know will be

I will stay with you, will you stay with me

just one single tear in each passing year

I will follow you, will you follow me

everyday and night that we know will be

I will stay with, you will you stay with me

just one single tear in each passing year
