Red House Painters, Follow You, Follow Me

stay with me, my love I hope you'll always be, right here by my side if ever i need you Oh my love, in your arms i feel so safe and so secure everyday is such a perfect day to spend alone with you I will follow you, will you follow me everyday and night that we know will be I will stay with you, will you stay with me just one single tear in each passing year

with the dark, I see so very clearly now all my fears are drifting by me so slowly now fading away if I can say the night is long, but you are near close I am though I'm better for the smile you give and while I live I will follow you, will you follow me every day and night that we know will be I will stay with you, will you stay with me just one single tear in each passing year

I will follow you, will you follow me everyday and night that we know will be I will stay with, you will you stay with me just one single tear in each passing year
