

Red House Painters, If You Want Blood

(Young - Young - Scott)

It's criminal, there ought to be a law
Criminal, there ought to be a whole lot more
You get nothin' for nothin', baby who can you trust
I got what you want, and you got the lust

If you want blood, baby you got it
If you want blood, you got it
Blood in the streets
Blood on the rocks
Blood in the gutter
Every last drop
You want blood

It's animal, livin' in a human zoo
Animal, all the shit that they toss to you
Feelin' like a prisoner, locked in a cage
Thrown to lions, on a second's phase

If you want blood, baby you got it
If you want blood, you got it
Blood in the sheets
Blood in the sky
Blood in the gutter
Every last drop
You want blood
