

# Red House Painters, Up To My Neck In You

(Young - Young - Scott)

Up to my neck in trouble  
Up to my neck in strife  
Up to my neck in misery  
For most of my life, I've been a fool  
And you know what a fool can do  
You came around when I needed you  
Now I'm up to my neck in you

Up to my neck in pleasure  
Up to my neck in pain  
Up to my neck on the railroad track  
Waitin' for the train  
To come on through  
Oh you knew my time was due  
You came around and you pulled me through  
Now I'm up to my neck in you

Up to my neck in whiskey  
Up to my neck in wine  
Up to my neck in wishin'  
That this life wasn't mine  
What can I do  
Oh what can I do  
You did what no one else would do  
Now I'm up to my neck in you
