

Red Lorry Yellow Lorry, Heaven

Heaven in a lifetime, heaven in one day
Thinking of you only takes me far away
It's in you heart it's in your mind it's in you just the same
And through the clouds we rise above the gray
I'm coming down, so push me now and take me up above
I'm coming down so take me all the way

To heaven when I call you
Heaven when I say
Dreaming of a life
In heaven

It's in you heart it's in your mind it's in you just the same
And through the clouds we rise above the gray
I'm coming down,
So push me now and take me up above
I'm coming down so take me all the way

To heaven when I call you
Heaven when I say
Dreaming of a life
In heaven, yeah heaven

Heaven when I call you
Heaven when I say
Dreaming of a life
In heaven, yeah heaven

Heaven when I call you
Heaven when I say
Dreaming of a life
In heaven, yeah heaven

I'm coming now
So take me all the way...
