

Red, Never Be The Same

I know you, who are you now?
look into my eyes if you can't remember
do you remember? oh!
I can say, i can still find
your are the only voice my heart can recognize
but I can hear you now, yeah!
I'll never be the same
I'm caught inside the memories
the promises, our yesterdays
and I belong to you
I just can't walk away
cause after loving you
I can never be the same
and how can I pretend I never knew you
like it was all a dream, no!
I know I'll never forget
the way i always felt with you beside me
and how you loved me then, yeah!
I'll never be the same
I'm caught inside the memories
the promises, our yesterdays
and I belong to you
I just can't walk away
cause after loving you
I can never be the same
you left me here
then I watched you disappear
you left this emptiness inside
and I cant turn back time
no, stay!
nothing compares to you
nothing compares to you
I cant let you go
can't let you go
I can't let go!
I'll never be the same
not after loving you, not after loving you
no!
I'll never be the same
I'm caught inside the memories
the promises, our yesterdays
and I belong to you
I just can't walk away
cause after loving you
I can never be the same
I can never be the same
I will never be the same
oh, oh, oh
oh, oh
I just can't walk away
no I cant walk away..
from you
