

Red Shaded, Dreaming

Don't sway, don't break.
Don't fall, don't quake.
Don't speak, don't run.
Don't cry, just trust...
(Repeat)

(CHORUS)
Oh, trust your heart
Feel it now, Feel it now.
Trust your heart
Reaching out, Reaching out
Don't stop dreaming
Don't stop dreaming
When it all comes down

Don't leave, don't shake.
Don't crawl, don't fake.
Don't shy, don't shun.
Don't fear, just trust.
(CHORUS)

Don't stop dreaming
Don't stop dreaming
When it all comes down
(Repeat)
