

# Red Simpson, Truck Driver's Blues

Feelin' tired and weary from my head down to my shoes  
Feelin' tired and weary from my head down to my shoes  
Got a lowdown feelin' truck driver's blues  
Ride ride ride on in to town there's a honky tonk gal waitin' for me  
And I've got lots of troubles to drown  
I never did have nothin' ain't got not much to lose  
I never did have nothin' ain't got not much to lose  
Except this lowdown feelin' truck driver's blues  
( piano )  
Ride ride ride on in to town...
