## Red Simpson, Truck Driver's Blues

Feelin' tired and weary from my head down to my shoes
Feelin' tired and weary from my head down to my shoes
Got a lowdown feelin' truck driver's blues
Ride ride ride on in to town there's a honky tonk gal waitin' for me
And I've got lots of troubles to drown
I never did have nothin' ain't got not much to lose
I never did have nothin' ain't got not much to lose
Except this lowdown feelin' truck driver's blues
( piano )
Ride ride ride on in to town...
