

Red Simpson, Truck Drivin' Man

I stopped at a road house in Texas twas a little place called Hamburger Dan's
I heard that jukebox playin' song called a Truck Drivin' Man
The waitress then brought me some coffee I thanked her then called her again
I said that old song sure does fit me cause I'm a truck drivin' man
Pour me another cup of coffee for it is the best in the land
I'll put a quarter in the jukebox and I'll play that Truck Drivin' Man
(guitar)

Well I climbed back aboard my old semi then like a flash I was gone
I got them old truck wheels a rollin' I'm on my way to San Antone
When I get my call up to glory they'll take me away from this land
I'm gonna head this old truck up to heaven cause I'm a truck drivin' man
Pour me another cup of coffee...
And I'll play that Truck Drivin' Man
