

Red Sovine, Why Don't You Haul Off And Love Me

Why don't you haul off and love me one more time
Why don't you squeeze me until I'm turning blind
If you don't cuddle up and love me like I want you to do
I'm a gonna haul off and die over you

They say the love bug will get you at the age of forty-three
Well I'm not telling my age but something's got a hold of me
I'm just craving some lovin' in that old fashion way
Honey linger near and listen to all I had to say
Why don't you haul off...

(steel)

Now darling come a little closer put your little hand in mine
Let me feel your arms about me honey please don't change your mind
Cause my lovesick heart's a troublin' as I hold you close to mine
I'm bout havin' lot of lovin' waitin' for me on the line
Why don't you haul off...
