

Red Tape, Golden

Mainstream to diy
DIY to get organized
Organized kids
Invincible youth
Liberate
Extract the truth

Monolithic corporations
This situation we gotta fold
AK-40oz.
Settle the score
Knocking fools out
Like Rocky five

I got gold in my sight
Wanna hold you in my arms
You're devastating like a bomb
There're no antidote
No cure
Tune in and drop out

All the products
All the lies
Got your brain homogenized
When all your news comes from one source
I'm Missing In Action like Chuck Norris
