

# Red Warszawa, Ways Of Crashing An Egg

When you crash an egg  
Can't do it over again  
You gotta hold it tight  
Til you spalsh it right  
I say yeah, yeah  
I say yeah, yeah  
Splashing egg is good  
And if only I could  
I'd do it over again  
Oh yeah, over again  
But to crash an egg  
There are two different ways  
You ether chew and spit  
Or you jump on it  
I say yeah, yeah  
I say yeah, yeah  
My advise to you  
Is not to spit and chew  
You got to jump on it
